

Stay in the HOA Communication Loop!

In order to improve homeowner communication and reduce redundancy, the HOA is implementing a new homeowner communication database. Effective January 15, 2010, Unit Captains will no longer be e-mailing HOA information to homeowners in their units nor will the current broadcast e-mail system be used. All Homeowner Association information will be sent out by the Director of Communications. Therefore, to stay in the communication loop, you will need to complete the form which follows. **Even if you do not use e-mail or if you have signed up for the e-mail system on the Association web site, you will need to register using this form.**

The information collected on this form will be used to create a new IronOaks Contact Database. This information will be used only by the HOA.

Your information will not be shared with anyone and will be used only to provide you with IronOaks information or for emergency notification.

There are two ways to submit your information. You can go to the website www.ironoakshoa.org, fill out the form and submit it on line, or you can complete this form (**please print**) as a paper copy and place it in the designated box at either Oakwood or Ironwood Clubhouse, or mail it to IronOaks HOA, 24218 South Oakwood Blvd., Sun Lakes, AZ 85248. (keep a copy for your records).

Provide the following information for the primary members of the homeowner household.

----- PLEASE PRINT -----

*Owner Name: Last _____ *First: _____
